Service Description

The Advocates at Archimedes Educational Services are honored to advocate for and support students and families that suffer with educational challenges. Our Advocates may serve as a liaison for parents by collaborating with schools, medical, psychiatric, and therapeutic professionals to provide individualized Section 504 and IEP recommendations.

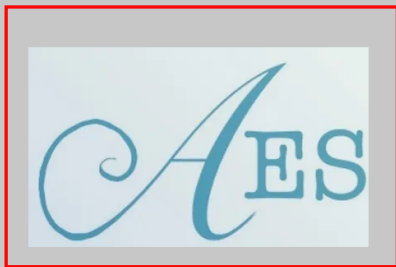

Cancellation Policy

Should the need to cancel or reschedule arise, please notify Archimedes Educational Services as soon as possible. Initial Consultations and some select service fees are nonrefundable. However, select service fees may be applied to future appointments if Archimedes Educational Services is notified of the need to reschedule 24 hours in advance of the original appointment time. Rescheduling requests made less than 24 hours prior to the original appointment time will incur a \$50 fee.
