Establish Care at VERA

Are you ready to take control of your health?

Establishing care at VERA is a great way to get started.

Why Establish Care? The answer is simple: continuity matters. When you establish care you give us the opportunity to get to know you and better support your health.

How to Establish Care: Establishing care is easy. Simply visit a care center at least once to meet with a provide

Already have a primary care provider? No problem. If you already have a primary care provider we can be an extension of your care team. If you don't have a primary care provider, we'd be happy to fill that role for you.
