[Reduces Frizz & Enhances Shine] Our professional hair dryer comes with the ionic low noise technology, to reduce frizz and enhance shine, so that your hair will be ultrasmooth for that classy look and feel for any occasion. Please do not touch the air nozzle during use to prevent burns.

[Ultra-Smart Design & Magnetic Sccessory] Our hair dryer comes with a double safety removable filter, so that your hair will not get sucked into the dryer and you can use it as a travel hair dryer too, as it is lightweight portable. Magnetic accessories are more convenient to use.

[Ultra-Safety Quiet] Our ionic dryer with over heat protection and low electromagnetic field, to ensure safety to you and your family. Low noise, even in the morning will not wake up your family.

[Save Time & No Heat Damage] The hair dryer is a stepless speed adjustment button, which can adjust the wind speed arbitrarily, with infinite wind speed setting. easy to control the temperature and wind speed to make your favorite hairstyle at home.

[Universal Functionality & Small Size] Be it curly, straight, thin or thick hair style, precisely meet the needs of all the hair styles.
