【Easy, Ultra-Fast to Play】 Periodee wired computer keyboard is super easy to use, it works instantly with any USB devices, no driver needed, no need to worry about interference

【Slim, Modern Design】 Own your style with a slim computer keyboard with premium matte finish, and you can easily carry it when you work from home. This keyboard is compact and doesn't take up a lot of real estate on the desk, great if you have a small office workspace.

【Spill-Resistant Letters】 Keyboard has waterproof protection on its surface and drain holes design on the back, preventing damage by accidental spills and can be simply wiped dry. The characters on keycaps are extremely hard to wear thanks to the high quality UV coating.
