【MULTIFUNCTIONAL】 - This phone finger holder combines the advantages of phone ring holder and phone stand. It has 3 angle adjustment to suit for different sizes fingers. Enables easier one-handed texting, photos, and selfies. Also this phone finger strap can collect small objects to keep the place tidy and orderly.

【WIRELESS CHARGER COMPATIBLE】 - This adjustable phone stand does not interfere with wireless charging. Slim pocket-friendly design, make it portable and pretty. You can securely hold a larger device with one hand when using it. This phone kickstand makes the display much more accessible and is great for use while sitting, standing or lying down.

MULTI LEVEL ADJUSTMENTS:
Taking the size of individual finger sizes in mind, there are 3 levels to adjust the grip to suit the size of your finger. This 3 level adjustment also allows you to use it as your phone stand (both vertical and horizontal standing) to ease your viewing experience. On top of this, with Momo magnet now you can use its grip in cars with another 3 level angle adjustment for your viewing angle from your dashboard.
