Looking for the Best Air Conditioning Services in Las Vegas? We've Got You Covered!

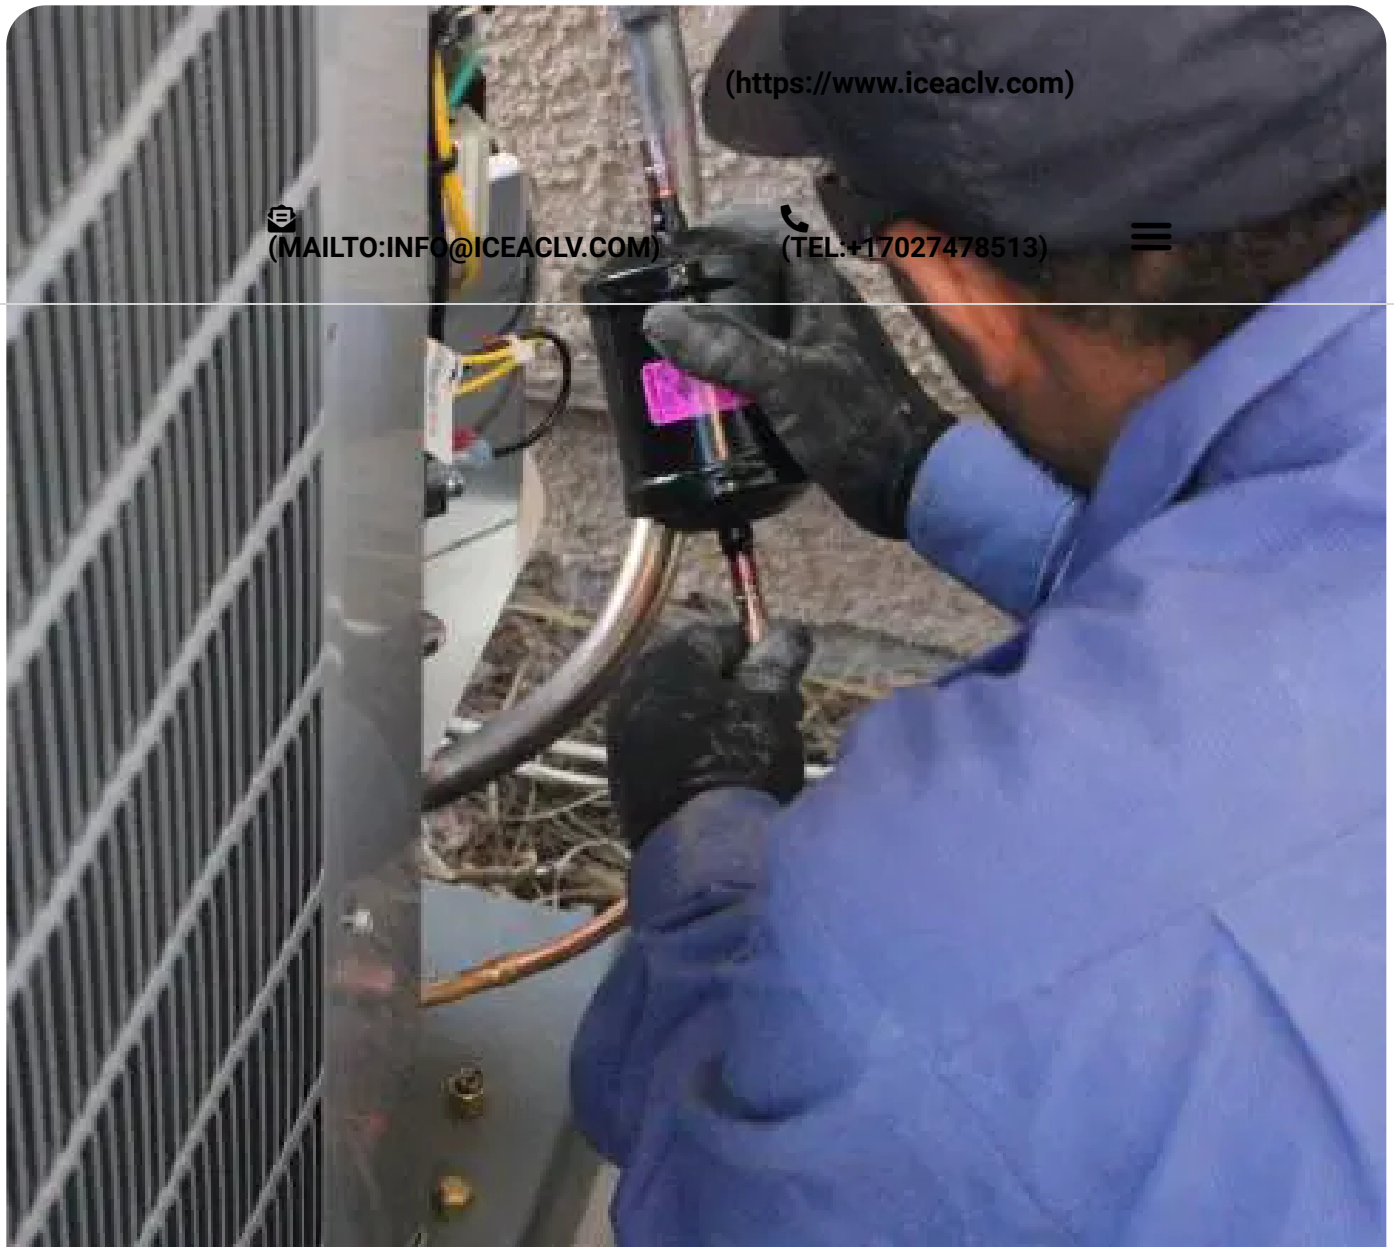

As a leading provider of air conditioning services with over 29 years of experience in Las Vegas, we offer a complete range of AC services for homeowners and businesses. Whether you require AC maintenance to keep your existing air conditioning unit functioning perfectly, need prompt air conditioning repair services, want to verify a previous diagnosis, or want to replace your old air conditioning system, our team of highly trained and certified technicians can assist you.

With warehouses on wheels and a team of experts who are drug tested and background checked, we are committed to providing our customers with the highest level of quality and 100% satisfaction. Contact us today to see how we can help you with your air conditioning needs!

Satisfaction is Guaranteed on all AC System Installations

At ICE Air Conditioning and Plumbing, we are dedicated to providing top-notch air conditioning services and installations to homeowners in Las Vegas. We guarantee that the air conditioning equipment we install in your home will perform optimally and meet your cooling needs. In the unlikely event that the central air conditioning system does not effectively cool your home, we pledge to modify, repair, or replace the unit until you are completely satisfied within the first year of the installation date. Our commitment to your comfort and satisfaction is unwavering.

AC Installation or Replacement

Trust our team of air conditioning experts to handle the installation of your new air conditioning system. You can rest assured that your home will be kept cool, comfortable, and free from indoor air quality issues.
