★★★★☆ **Good quality blade.**

Handle is plastic and is easy to grip. I do wish there were loops on the sheath to attach it to a backpack. Pretty good unit.

There's always that one person who leaves a lousy review . I'm glad I chose to ignore it and I'm glad I did. I've put it to use in Florida with shrubs banana even some hardwood papaya mango etc and stays razor sharp like day one. Maybe they were trying to split hairs. I'll leave that to the barber

Took down this limb that had cracked and fallen during the last storm. Very sharp and powerful tool. Took no time at all to chop through this hanging limb.

★★★★★ **Love this Machete!!**

Reviewed in the United States on August 10, 2021

**Verified Purchase**

Very sharp, well packaged and nice color. I cut up some small branches along my fence line. You need to cut at a slight angle though to slice right through. Already have another one coming as a gift my wife purchased. Very happy!! Makes a good weapon for protection also. The tip is very very sharp so be cautious!
