

# anywAIR

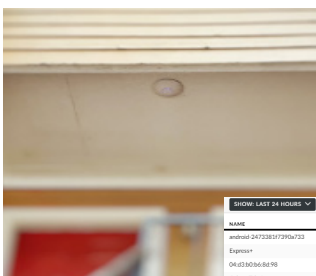

Streamline your residents' Internet experience while putting revenue in your pocket with affordable managed Wi-Fi!

## PANDA (personal area network device authentication) technology

- Great source of additional monthly revenue
- Gives owner the ability to turn individual resident services on or off at will
- A non-intrusive process
- 75% faster deployment than rewiring facility
- Increase resident retention
- No up front out-of-pocket options available

## AnywAIR creates a significantly improved resident experience

- Faster speeds
- Superior customer service and 24/7 tech support
- Better connectivity throughout community
- Lower monthly rate for residents

## AnywAIR in ACTION
