

UNLEASH CLASSROOM COMMUNICATION

CLASSROOM CONNECT

Live feeds, emergency alerts, positive messaging, announcements and important information from the district and campus level quickly and easily shared to every classroom.

EMERGENCY ALERTS

Instantly broadcast important safety and security information to every classroom

IMPORTANT INFORMATION & ANNOUNCEMENTS

Deliver announcements to every classroom and ensure each student sees your information

POSITIVE MESSAGING

Build a stronger, more supportive culture for every student

LIVE FEEDS

Enable sharing of engaging school, local, and national events as they happen

READ-MADE CONTENT LIBRARIES

Put visual communication assets at every teachers' fingertips

STUDENT ENGAGEMENT

Build culture by getting students involved in the conversation through Student Projects

UPGRADE YOUR DIGITAL SIGNAGE TO A POWERFUL VISUAL COMMUNICATIONS TOOL

Use screens in a new way

Students retain 10% of what they hear, but over 60% of what they see. This makes effective visual communications a necessity.

Sharing morning announcements, important information and emergency alerts directly to the classroom keeps your students informed, engaged and safe.

- ✓ Give access to unlimited users and content across your entire network.
- ✓ Deliver high-quality visual communication in seconds with an in-app Creative portal and hundreds of pre-loaded themes.
