I had my old tattoo on my body for 6 years and I was trying to get it removed until I found this shop, their machine is amazing, they remove my old tattoo in one go, if you have ugly tattoo or you don't like it, be sure to come here, they can put your skin back to the beginning!

I had my tattoo removed here. The whole process took less than 10 min to be done. The machine is really good, you can see the difference after my 4th session. Take care instruction was given by the operator . Very nice service

在洛杉矶找了很久 洗纹身的地方 一直没找到非常专业的 就发了个朋友圈 结果朋友介绍了这里 这里的洗纹身师傅 非常的专业 他对纹身的深浅 洗多少次 能不能洗掉第一次看完就基本可以告诉你个大概 我的纹身是十几年前纹的 经过了十几年的时间 这个纹身淡了好多 黑色也慢慢变成青色 看着越来越不舒服 而且年纪大了之后也不想再纹身了 想着就洗了算了 师傅说这个纹身差不多要洗5次左右 差不多30-45天洗一次 我到现在为止 一共洗了4次 目前一点都看不出来了 师傅说是我自己的代谢好 也不是每个人都这样 总之非常感谢洗纹身的shu师傅 推荐这家店给大家

Came to do ultrtherapy for the very first time; I was super nervous at first but the nurse Vera was very professional throughout. She was super nice and friendly; she talked me over the entire process and it definitely helped calm me down. The numbing cream also helped a bunch. Overall Vera made the whole experience super comfortable! Highly recommended!!

Such great experience. First of all, the surrounding is rather elegant . The massage and facial are really specialized. The product also works really well for my skin. The most important thing is that the price is really fair.

Had my tattoo removed here. the process of remove took maybe ten seconds to be done which was good to me because I am not that kind of person who can stand with pain any longer than this. home take care instruction was given by the operator. Nice service.

In and out of there in less than an hour. This was my first visit and certainly not the last. I didn't want to go too thick at first. But as the days go by on the first week the lashes are more noticeable even if they're natural. I may get more put on when I go for the fill, but I'm happy either way with Coco's job on my first visit. No pain when being applied and I think those were eye gels under my eyes as a protectant. Felt cool and relaxing.

I found this place through Groupon, and I am so glad I did!

Eyelash extensions usually run upwards of \$150/\$100 fill, but I am able to get the lashes I want for \$69/\$39 Fill at Beauty Culture. A single process takes about an hour and a half, and the technician does a wonderful job! My lashes last for 3 weeks and onward!

I used to wear false lashes constantly, and would always struggle with them on a daily basis. Now my makeup time has been cut, and I wake up and going to bed feeling absolutely glamorous! Definitely worth the money for the amount of confidence these babies give you!

I always find parking in the front, and am always to get an appointment to fit my schedule (I usually schedule for the weekend.)
