3630 Switchback

3630T Switchback

Equipped with the Cat C18 Engine and TA22H Transmission, these 630 horsepower tractors far exceed the production, reliability, and durability of leading agriculture tractors found on construction sites. Built as true construction-grade machines, Mobile Track Solution tractors feature ROPS certified to construction standards, a decelerator pedal, cold weather starting package, heavy-duty VEP Stucchi hydraulic couplers, and a construction-grade wiring harness.
