CLINICALLY STUDIED

CLINICALLY STUDIED HELP FOR YOUR BLADDER CONCERNS

Bladder health can be a very personal issue, but if you struggle with **occasional leakage or urgency to urinate** then you understand how frustrating things can get.

In fact, depending on age and specific issue, **between 32% and 79% of people reported some level of bladder concern** in a 2018 University of Michigan national poll.

It's part of aging... And part of pregnancy and childbirth... **Your bladder strength wanes.**

That's where **MyBladder™** can help.

This effective formula is built with Urox® — a **patented blend of botanicals backed** by 15 years of research and development, **6 clinical trials**, and 5 international awards.

Urox® is so well loved, that **84% of users report satisfying results** after just 8 weeks of use!

MyBladder™ is here to help you deal with something nobody likes to talk about — and delivers the following concrete benefits, whether you are a **man or a woman of any adult age**:

- ✓ Promotes Normal Bladder Control*
- ✓ Supports Overall Urinary Tract Health*
- ✓ Promotes Normal Bladder Strength and Tone*
- ✓ Promotes a nearly 50% reduction in occasional nighttime trips to the bathroom*
- ✓ Benefits begin in as little as 2 weeks, with greatest benefits at week 8
- ✓ 84% of users felt satisfied with Urox®, with 23% of users enjoying normal urinary function after 8 weeks
- ✓ No significant adverse effects or known drug interactions
