BUY IT NOW

- Quantity: 180 pieces of backflow incense cones in 10 different natural smellings, sufficient quantity and various smellings can meet your different needs; with a black drawstring bag helps to storage them
- Material: made of cedar powder and natural plant powder, which have natural and fresh fragrances; each piece is small, it can last about 5 minutes
- Fragrances and colors: 10 different natural smellings in 10 colors, including sandalwood (khaki), rose (rose red), lavender (purple), lily (red), jasmine (yellow), green tea (green), ocean (blue), lemon (orange), mint (light green), sweet-scented osmanthus (earth color)
- These cones need to be used in conjunction with a reflux incense burner to achieve the best results; with a small hole on its bottom, thus the smoke will goes down; the

backflow incense cones can help to release pressure and make you relaxed

- Applicable environment: suitable for less windy places, such as home or office, kitchen, bedroom, yoga room, meditation room, etc., the strong wind may lead to the spread of smoke released, which cannot meet the desired effect; if you feel the smell is heavy, please ventilate to make the fragrance lighter
