KEEP YOUR VEHICLE SAFE: This security steering wheel lock securely hooks around your car steering wheel and plugs into your seat belt, making it very difficult for potential car thieves to turn the steering wheel of your car or use the seat belt. Safeguard your car from getting stolen!

STRONG and UNBREAKABLE: YBC anti-theft seat belt lock is made of strong, durable braided steel which is thicker, more flexible, and stronger than others and can resist the attack of saw, hammers, and freon, providing your valuable car with indestructible protection.

REFLECTIVE COLOR: The highly visible yellow color of the steering wheel belt lock acts as an excellent deterrent that keeps potential car thieves away from your car. Enjoy peace of mind knowing your car is protected from car thieves!

SECURE YOUR CAR IN SECONDS: It only takes a few seconds to lock and unlock. Simply wrap the car anti-theft lock around the steering wheel and lock it in your car's seat belt socket. The steering wheel lock comes with 3 keys which makes it functional and convenient for daily use.

UNIVERSAL FIT: Fits most cars with seat belts. YBC security car lock can be adjusted up to 17 inches, providing a universal fit for cars, SUVs, trucks, vans, RVs, and much more. If the length is not enough you can try adjusting your car seat for the perfect secure fit.
