## STEP THREE

Gain Clarity and Confidence to Scale

## Trying to Scale a Business is Overwhelming. If you don't have a **Scaling Business Plan...**

- You won't have clarity on where to most effectively spend your marketing dollars
- Your company won't reach it's greatest potential
- You'll never know if you're making the right hiring decisions
- You're not leveraging systems to accelerate growth and be as lean as possible
- Wasted money spent on marketing to prospects not interested in your business
- More than likely, revenue isn't growing at the rate you'd like
- You're not confident about the future trajectory of your business
- Your team's execution isn't what it could be
