★☆☆☆☆ Don't buy this one. Was disappointed

Reviewed in the United States on April 23, 2021

Update: Was able to get refund. Hopefully can get a better one...

Was really dissatisfied with this sticker decal. Its not as pictured just plain silver then reflects. Also each letter is a separate decal and the main part the monster tore when trying to get it off the cheap plastic applicator piece that doesn't even allow you to get the letters off.
