My husband loves them!

Jenna H.

I bought the light grey and dark grey colors for my husband for his birthday last month and he loves them! He got rid of his other golf belts and he recently bought the black one himself!

Seems like a good product.

Seems like a good product. I have a similar Nike belt and it was very comparable but \$20 cheaper which is a huge plus.

Exceptional Quality and Style!

T.P.

I recently bought the Looper Belt from Palm. and I gotta say, it exceeded all my expectations. This belt is a golfer's dream that combines both functionality and style in the most unique way. I've always had a problem finding the right size belt, they're either too loose or too tight but stretch and material on this bad boy gives you that right tuck everytime! Get one, you won't regret it!
