Perfect fit

Trent D.

I'm really difficult when it comes to shorts or pants. I usually wear TravisMathew shorts and I often have to tailor them to get the best fit (length and taper). Out of the package, these shorts fit me perfect. Usually a 34 in all my bottoms but the 33 fit perfect. A little stretch to the fabric and the length is just above the knee. Good work Palm!

Run don't walk to get these amazing shorts. More comfortable than my Lulu shorts and more breathable than my callaway golf shorts

Kevin Z.

Dudes - just go and get yourself a pair of these shorts. I bought both the black and the blue shorts and they are great not only as golf shorts but as lifestyle shorts as well. Super stylish with a great fit and lots of stretch/breathability. The palm guys crush it again with a new product/line release!
