

Located in Los Angeles, Selection One is a leading supplier of ready-to-hang wall art, fashion mirrors and functional wall decor. We provide curated collections of on-trend product for the North American home décor market. Working with the top artists, publishers, and designers in the industry we provide thoughtfully curated product assortments based on precise selling data and market trends. Our design and sales teams are among the best in the industry and have been supplying the home décor market for more than 25 years with established success in creating custom assortments for retailer exclusive product. Our design and product development teams are comprised of 60+ graphic artists and painters, CAD specialists, production designers and packaging experts, providing us with complete control over the manufacturing process. Selection One provides both direct import and US warehouse distribution with drop ship capabilities.
