Ripped

Reviewed in the United States on February 27, 2023  
Color: Black **Verified Purchase**

It came damaged with a rip along the edge. However, I'm using it anyway and it's holding up. Hence the 3 stars instead of 1. Because it's hanging in there pretty well even with a rip along the edge.

My large Yeti hasn't slipped out of my hand in months. I believe this sleeve even made my cup lighter! It's magical!

**Not Great**

Reviewed in the United States on April 15, 2023

Color: Black **Verified Purchase**

If you are purchasing this item just to have more grip on a cup, then it does its job. However, if you were purchasing it to protect your fingers from the heat of a full cup of hot coffee, do not buy it. You can still feel the heat through the silicone grip just like you do without the silicone grip.

Pretty simple product, fits on almost all hot cups and keeps the heat at bay from your hands similar to the disposable ones.

**Good Product**

Bought this for my reusable cup to make it easier to hold and fit in my cup holder on my motorcycle better. Holds up to the weather very well and still looks as good as the day I bought it.

**Perfect for a Bodum Pavina glass**

Reviewed in the United States on April 13, 2021

Color: Black **Verified Purchase**

I bought this specifically to stretch around a Bodum Pavina (15 oz) double walled glass. It lets me cobble together a handle-less coffee mug that is insulated, microwaveable, dishwasherable, and not dangerously slippery to hold. For that purpose it works perfectly. If that is what you are looking for then it's right up your alley.

**Silikon Banderole, sichere Handhabung**

Reviewed in Germany on May 28, 2023

Color: Green **Verified Purchase**

Die Banderole passt und hält, die Flasche gleitet nicht mehr aus der Hand, die Hände bleiben sauber und macht das Kochen entspannter. Das war eine gute Kaufentscheidung. Ich empfehle die griffige Silikon Banderole in schöner Farbauswahl gerne weiter.
