Adorn yourself as Diosa in this limited edition collection.

I started this I AM DIOSA™ “Bohohood™” collection as a way for diosas to have a physical item to adorn themselves as the Diosa, goddess’, they are. Each piece was curated and made with love. You have a beautiful mix of sexy, casual lounge or beach wear and chill hang out wear. I pray that as you wear each piece you are reminded that...

You are loved. You are worthy. And of course, that you are diosa!

Abrazos, Christine
