Good Bitters Kalm Drops combine the sweetness you expect in candy with the natural bitterness and relaxing effects of the Silk Tassel plant. Try Kalm Drops after a meal to help you relax or as a point of focus during a meditation session. The sweet and bitter flavors will stimulate your brain without overwhelming your senses. You may even feel more present and satisfied with just one cand...

#### What is Silk Tassel?

Silk Tassel is a flowering shrub that grows in the dry forests and deserts of the southwestern US and northern Mexico. It has been used for thousands of years by indigenous people for a variety of benefits. [Read more about Silk Tassel here.](#)

According to James Green, Herbalist, (<https://www.inharmonyherbs.com/store/silk-tassel-garrya/>) "Silk Tassel is a safe, strong, reliable, smooth muscle relaxer. It is remarkably effective for relieving sharp, tight, spastic cramps..." Silk Tassel should not be used during pregnancy. High doses can cause nausea.

#### Benefits of Silk Tassel

- Relax your mind by relaxing your muscle
- Relieve tension and pain
- Recalibrate your tastebuds and balance your craving
- Stimulate your wakefulness while calming your mind

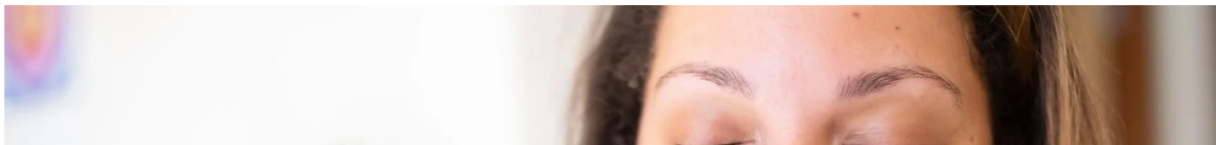

#### Ingredients

**Ingredients:** Silk Tassel Extract, Organic Cane Sugar, Organic Brown Rice Syrup, Sugar Free Lemon Syrup

#### How to Use this Product

- Take one Kalm Drop and place it in the middle of your tongue.
- Allow the candy to melt naturally over time without biting.
- Feel the relaxing aftereffects in your mind and muscles.
