Accelerate Your Manufacturing Journey With On-Demand Services

Mold making, Injection molding, Rapid prototype, CNC machining services, etc.

- ✔ Fast turnaround as fast as 1 day
- ✔ Precision guaranteed with tight tolerances
- ✔ Certifications: IATF16949:2016 | ISO9001

HIGH QUALITY

PRACTICAL DESIGN

ON-TIME DELIVERY

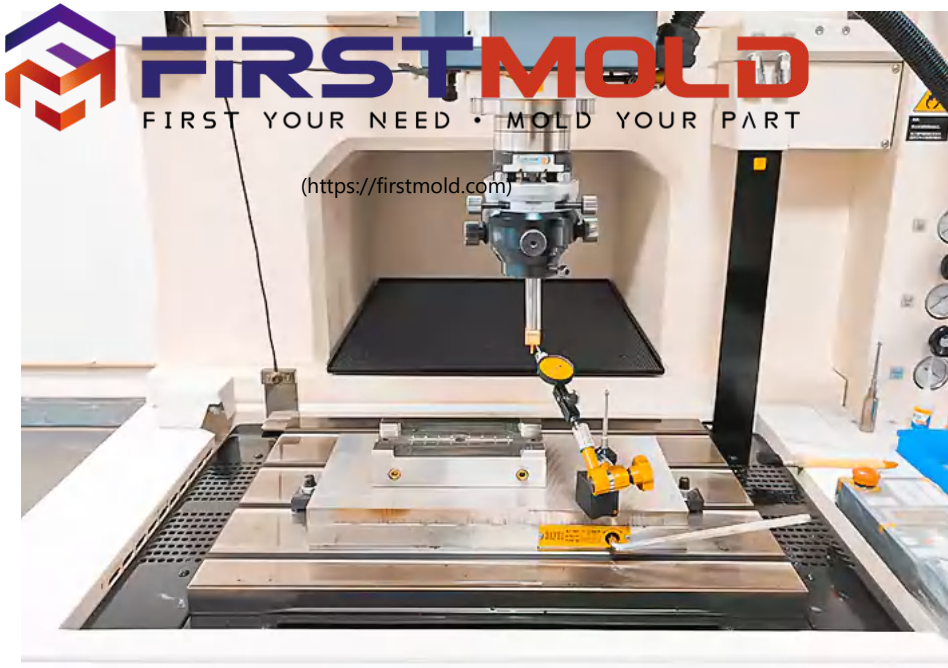

THOUGHTFUL SERVICE

Customize Plastic And Metal Parts Production Services

One-stop service is a special feature of Firstmold. Because we have a complete range of equipment and processes, you do not have to go through the trouble of interfacing with several companies for different steps.

MOLD MAKING ([Https://Firstmold.Com/Services/Mold-Making/](https://Firstmold.Com/Services/Mold-Making/))

Injection mold making, mold polishing, mold fitting, mold polishing..

(<https://firstmold.com/services/mold-making/>)

INJECTION MOLDING (<https://Firstmold.Com/Services/Injection-Molding/>)

Custom injection molding, two-shot molding, overmolding, insert molding..

(<https://firstmold.com/services/injection-molding/>)

CNC MACHINING (<https://Firstmold.Com/Services/Cnc-Machining/>)

CNC milling, CNC turning, 4-axis CNC machining, 5-axis CNC machining..

(<https://firstmold.com>)

(<https://firstmold.com/services/cnc-machining/>)

RAPID PROTOTYPE (<https://Firstmold.Com/Services/Rapid-Prototype/>)

Programming, CNC machining, milling, turning, wire EDM, surface finishing..

(<https://firstmold.com/services/rapid-prototype/>)

LOW-VOLUME PRODUCTION (<https://Firstmold.Com/Services/Low-Volume-Production/>)

High-mix low-volume (HMLV) Manufacturing, low-volume custom parts..

(<https://firstmold.com>)

(<https://firstmold.com/services/low-volume->

[production/](https://firstmold.com/services/low-volume-production/)

MASS PRODUCTION ([Https://Firstmold.Com/Services/Mass-Production/](https://Firstmold.Com/Services/Mass-Production/))

High-volume low-mix(HVLM) manufacturing, high-volume parts..

(<https://firstmold.com/services/mass-production/>)

PRODUCT ASSEMBLY ([Https://Firstmold.Com/Services/Product-Assembly/](https://Firstmold.Com/Services/Product-Assembly/))

Household electrical products assembly, Kitchenware products assembly..

(<https://firstmold.com>)

(<https://firstmold.com/services/product-assembly/>)

ODM ([Https://Firstmold.Com/Services/Odm/](https://Firstmold.Com/Services/Odm/))

Product design, part production, product assembly, packaging, selling, logistics..

(<https://firstmold.com/services/odm/>)

Industries We Are Serving

We mainly serve the following four industries. In fact, the application of plastic and metal products in various industries is obvious to all.

Automotive ([Https://Firstmold.Com/Industries/Automotive/](https://Firstmold.Com/Industries/Automotive/))

Dash panels, center consoles, glove boxes, armrests, door handles, door lock actuators, switches, sun visors, interior lighting, brackets..

(<https://firstmold.com>)

(<https://firstmold.com/industries/automotive/>)

Aerospace (<https://Firstmold.Com/Industries/Aerospace/>)

Overhead panels, flight control, pilot seat, instrument panels, rudder pedals, door panel kit, center console, arm rest support..

(<https://firstmold.com/industries/aerospace/>)

Consumer (<https://Firstmold.Com/Industries/Consumer-Products/>)

Headphones, mobile shells, calculator panels, razor shells, computer mice, toys, printer cases, brackets, game handle..

(<https://firstmold.com/industries/consumer->

[products/](https://firstmold.com/industries/consumer-products/))

FIRSTMOLD
FIRST YOUR NEED • MOLD YOUR PART

Medical (<https://firstmold.com/industries/medical/>)

Machined dashboard medical device shell, detection probes, blood pressure measuring device, stethoscope, microscope body..

(<https://firstmold.com>)

(<https://firstmold.com/industries/medical/>)

How To Work With Us

4 steps to make your ideas a reality

Upload CAD Files

Upload your CAD file online and tell us the details about your project to get a quote.

DFM

Free DFM analysis to suggest design improvements, finishes and processing techniques that are best suited for your project.

Mold Design & Manufacturing

One-stop-shop service that ensures that parts remain consistent in their high-quality from start to end with excellent finishes

Parts shipping

Custom manufactured parts are shipped and delivered your doorstep in as fast as 3 days.

(<https://firstmold.com>)

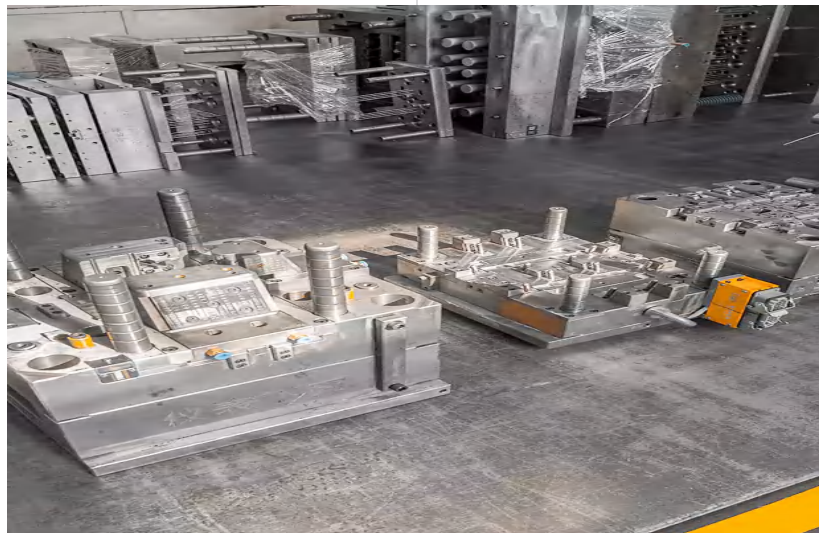

Who We Are ([Https://Firstmold.Com/About-Us/](https://Firstmold.Com/About-Us/))

The Cradle Of Talent For Processing Manufacturing

Firstmold is a national high-tech digital manufacturing enterprise integrating R&D, design, production and sales. We're mainly engaged in the production and manufacture of precision plastic parts, precision metal parts and ODM products through precision molds, injection molding, rapid prototype, CNC machining techniques. Our manufactured products are used in a wide range of applications, mainly in automotive parts, aerospace parts, medical devices, consumer electronics, etc.

<p>30+ Served Countries</p>	<p>120+ High-end Technical Personnel</p>
<p>110+ Professional Equipments</p>	<p>12+ Years Experience</p>

Why Choose Us

We Believe You Will Choose Us A Second Time

Only companies that have been in business for a long time and know what their customers think are your best choices.
FIRST MOLD
FIRST YOUR NEED • MOLD YOUR PART

(<https://firstmold.com>)

Experienced

More than ten years of industry experience, mature quotation system and technical support

Skilled

High-precision production equipment, high-quality production staff, and guaranteed delivery time.

Equiped

Engineers review drawings to eliminate problems, and advanced testing equipment to ensure quality

Thoughtful

Diversified custom processing to save time and effort. Pre-sales and post-sales actively respond to customer needs.

What We Have

Sound Organizational Structure And Precise Processing Equipment

Mold department, injection department, CNC processing department, quality control department, logistics department, PMC, purchasing department, sales department, marketing department

Testimonial

See what our customers said

FIRSTMOLD

"Firstmold is our the go to for all our injection molding needs. They are high efficiency and high quality control. Since 2016, we have cooperated with them on many projects, they also provided professional product suggestions to help us complete the projects. That's why they're such a great injection mold company."

Jackon Brown
Purchasing Manager

"When we first requested a quote for a custom injection molding project, they responded within hours with prices, delivery times and suggestions for our requirements. I am really satisfied with their professional service and high quality control. I would recommend them to my friends Without hesitation."

Brown Abraham
Product Senior Engineer

"We have been cooperated with Firstmold in injection molding for 6 years. From design to production, Firstmold provides excellent and professional injection molding services as well as the high quality products. We feel they are one of the best plastic parts manufacturers We've met in China."

Colin Martinez
Lead Manufacturing Engineer
