PURSUIT™

BREAK-OPEN MUZZLELOADER

**A new break-open muzzleloader
from Traditions that's Easy to use
and Easy to clean!!!**

The Pursuit muzzleloaders
are able to be used by both
right handed and left
handed shooters.

The new Pursuit muzzleloader has been created with the hunter's needs in mind from the design of the stock to the loading of the 209 primer. There are 3 models to choose from - the Pursuit Pro - 28" fluted barrels, steel frame - the Pursuit - 26" barrels, steel frame and the Pursuit LT - 26" barrels with a new high tech alloy frame giving you a full pound and a half off in weight.

The LT model
shaves off a full
1 1/2 pounds
make carrying in
the field a breeze.

After loading the 209 shotgun primer, simply "snap" the action back into place!
