#### About this item

**Product details**

**SPECIFICATIONS:** you will receive 2 pcs of the plastic clipboard, each measuring 8.8" x12.4" and fitting 8.5" x11" size paper. It is ideal for storing your invoices, work orders, and draft documents. **STRONG AND DURABLE:** The material of clipboards for classroom is made of high-quality PP plastic, with a 0.1inch thickening treatment on the thickness, which is sturdy and durable and at the same time, it's also less prone to bend and deform. The surface of the clipboards for classroom has a frosted texture, which has a delicate hand feel and looks more advanced. In addition, this clip board is water-proof and scratch-resistant, making it simple and convenient to clean and use daily. **LOW PROFILE METAL CLIPS:** The polished low-profile metal clip fits flush with the plastic backing for a strong grip, and the addition of black plastic non-slip corner pads on the clip feet ensures that the paper is held securely on the clipboard. For those who need more pages, this plastic clipboard can hold up to 500 sheets of 8.5" x11" paper, making it perfectly suited for use. **RETRACTABLE HANGING RING:** The hanging ring on the top of the black clipboard is retractable, supports you to hang the clipboard in the office, school, home, and any other place you want to hang it, and it can be perfectly hidden inside the metal clip when not hanging. **SAFE AND PORTABLE:** The corners of the clip boards are rounded in design, even kids can use these plastic clipboards safely. The 8.8" x12.4" size supports you to put the clipboards into backpacks, suitcases, and briefcases to take them out of the house. Having this clipboard lets you brainstorm to your heart's content even when you don't have a desk!
