

REQUEST FOR AMENDMENT OF MARK IN APPLICATION, AMENDMENT,  
AND REMARKS IN SUPPORT OF AMENDMENT

Dear Sir:

The following amendment and remarks are submitted in support of Applicant's Request for Amendment of Mark in Application.

**AMENDMENT**

Please amend the mark in the application as shown on the attached Drawing Page.

**DESCRIPTION OF MARK**

Please add the following statement to the record: The mark is not in color.

**REMARKS**

Pursuant to Section 807.13(a) of the Trademark Manual of Examining Procedure, Applicant requests that the mark shown in Application Serial No. 76/618,896 be amended as shown on the attached drawing page. Applicant's mark, as proposed to be amended, is not in color. The proposed amendment does not materially alter the mark or change the commercial impression of the mark. The specimens being filed with the Statement of Use support the mark as proposed to be amended.

Moreover, the form of the mark in this Amendment is the same as that originally filed in the application.

In view of the foregoing, Applicant believes that the amendment to the mark is acceptable, and requests that it be entered.
