Declaration to Perfect Application and Power of Attorney

Declaration

The signatory declares and states that he/she is authorized to execute and sign this instrument on behalf of and for the said Applicant. The signatory believes that the Applicant is entitled to use the mark in commerce; the Applicant has, and has had at least since the application filing date of November 20, 2018 a *bona fide* intention to use the mark in commerce on or in connection with the goods/services in the application; to the best of the signatory's knowledge and belief, the facts recited in the application are accurate; that to the best of the signatory's knowledge and belief, no other persons, except, if applicable, members and concurrent users, have the right to use the mark in commerce, either in the identical form or in such near resemblance as to be likely, when used on or in connection with the goods/services/collective membership organization of such other persons, to cause confusion or mistake, or to deceive; and to the best of the signatory's knowledge, information, and belief, formed after an inquiry reasonable under the circumstances, the allegations and other factual contentions made above have evidentiary support. The signatory being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements and the like may jeopardize the validity of the application or submission or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true and all statements made on information and belief are believed to be true.

Applicant requests that the application filing basis be established as follows: intent to use the mark in commerce under Trademark Act **Section 1(b)**, 15 U.S.C. §1051(b). The goods/services identified in the application are:

“Business services for others being testing to determine professional competency, namely, testing, analysis, and evaluation of the level of knowledge, skills, and abilities of others in the field of maintaining, constructing, and inspecting green storm water infrastructure,” in International Class 35.
