Product description

Coffee Break Mania is and addictive puzzle game using only digits.

Play solo, or challenge your friends to make the highest score!

Play this game if:

- You like Sudoku or word games,
- You like casual games easy to learn but difficult to master,
- You like to play with or against your friends.

Each game takes 2 minutes only (blitz).

The goal is easy: find all series of digits like "1 2 3" or "4 5 6 7" by breaking cups of coffee with your finger!

You can also create new digits by achieving series of 5 or more coffee cups. Break 1 2 3 4 5 and boom! you get a 6. You can't reach 2048 of course, but achieving a 9 or a 10 would feel sooo great!

Try to beat your highscore, win against your Facebook friends or against random opponents, and most of all... try to crush them in the weekly tournament :)
