### Unique Merchandising

Our in-house Design Team lends unparalleled differentiation in the marketplace through custom product, package and display design. Full-color, customer flyers, promotion tags and various POP options are all produced by our internal Production Department.

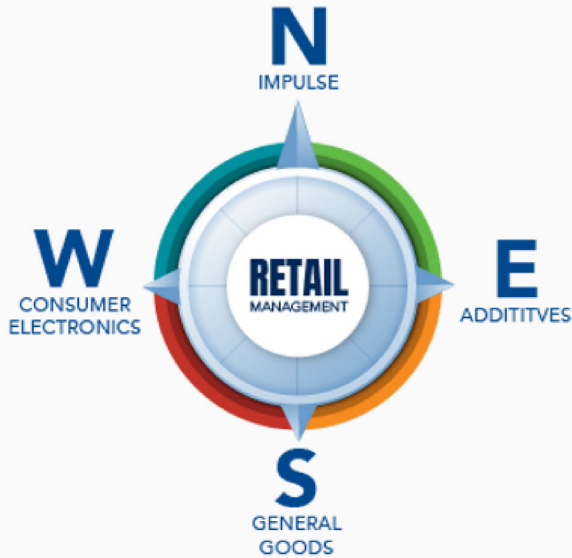

### Dedicated Customer Service

Our fully staffed Customer Service Department is available to assist with price-point pricebook management, order inquiries, EDI and much more.

### Timely Order Shipment

Each order is double verified for accuracy before shipment via national freight carriers.

## RETAIL SPACE MANAGEMENT

We navigate the unknown

We are very familiar with what drives sales in stores and we understand managing space appropriately is everything. Spaces large and small need a balanced mix of high-traffic product, destination drivers and product staples.
