

[Contact Us](#)

Your store. Their home.

Curie allows shoppers to experience products using AR and a smartphone. Deliver a new and innovative shopping experience, surprising and delighting customers.

DIGITAL PRESENCE

**The camera is
the window to**

the store.

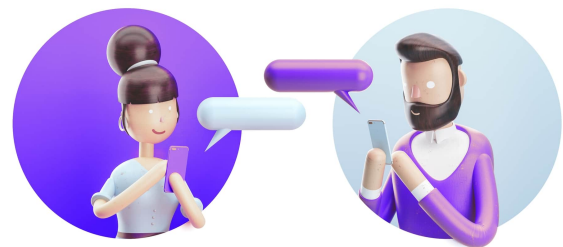

Make your digital store feel tangible. Inspire customers with the ability to preview & compare products in 3D at home. With our platform, shoppers can see how products look up close & are sized in-real-life.
