Managed Care Support

Third-party prescriptions account for 80 percent or more of all prescriptions filled in the U.S. LeaderNET creates better opportunities for you to fill these prescriptions by giving you immediate access to hundreds of managed care contracts, thousands of group plans and millions of lives.

LeaderNET is a powerful managed care program that unifies Leader as a vast network of providers for third-party and managed care pharmacy benefits plans established by employers, HMOs, PBMs, insurance companies and similar organizations.

As a member of LeaderNET, you can:

- Increase your prescription volume with the addition of new patients
- Compete more effectively with chains for managed care business
- Establish your pharmacy as a member of one of the largest and most respected Pharmacy Services Administration Organizations (PSAO) in the industry
- Be published in provider directories and other third-party marketing materials
- Save valuable administrative time by allowing an experienced staff to handle the review and execution of contracts
- Trust that all contracts are reviewed by a panel of five Leader members who are all pharmacy owners in the network
- Access plan information on the Internet
- Receive support from the toll-free LeaderNET Help Desk

Realize the benefits and opportunities LeaderNET can bring to your business.
