

TRADE MARKS REGISTRY

REGISTRATION CERTIFICATE

Trade Marks Act 1994 of

Great Britain and Northern Ireland

The mark shown below has been registered under No. 2505673 as of the date 02 January 2009.

SMAHT

The mark has been registered in respect of:

Class 6:

Articles of common metal for use in the oil and gas industry; pipes, tubes, pipelines, risers, flowlines and coils; pipelines for the transport of fluids, slurries, petroleum, oil, gas and multiphase flows; flow conditioners and guides; baffles; parts and fittings for the aforesaid goods; all formed wholly or predominantly of metal.

Class 7:

Machines for use in the oil and gas industry and parts and fittings therefor; separators; tubes, pipes, liners, coils, flow conditioners, baffles and guides, all being parts of machines; oil drilling rigs and their components; machines for extraction and transportation of oil and gas, and parts and fittings therefor.

Class 11:

Apparatus and installations for the extraction and production of oil and gas; upstream pre-processing apparatus and installations for the production of oil and gas; pipes, tubes, pipelines, risers, flowlines, liners, coils, flow conditioners, baffles and guides, all for oil and gas extraction, production and pre-processing apparatus and installations; separators (not being machines).

Class 17:

Flexible or semi-rigid pipes, tubes, pipelines, risers, flowlines and coils; synthetic liners for pipes, tubes, pipelines, risers, flowlines and coils; parts and fittings made from rubber, plastic or synthetic materials for use in the oil and gas industry.

In the name of Heliswirl Technologies Limited
