[Share your own Riptide success story](#)

We tried the Riptide Bliss products and we love them! When it comes to 100% juice products, Riptide Bliss is in a class by itself. Not only is it better nutritionally for the kids, but it also tastes incredible!

*Anna Wolk – Director of Food Services, Johnsbury School District 12, Johnsbury, IL*

Good nutrition is imperative to peak academic performance for students. Our district supports nutrition education as an integral part of quality education. Health Fusion Brand beverages offer an opportunity to learn and practice making healthy choices. We had a huge success this year with the Health Fusion beverages. They're a great way to promote healthy products and boost special sales. Elementary students loved the 8oz Riptide Nutrient-Dense waters and they were also great in promotions for meal deals with secondary schools. Students and adults purchased Riptide regularly and were quick to ask about it if we did not offer it daily.

*Janice Bass – Quality Control Supervisor, Richland One School District, Columbia, SC*

This product (F5) has proven to be an excellent replacement for sugary sports drinks in our school district. As the Registered Dietitian, I feel this product provides a healthy drink in the proper portion sizes to our student population, with the added bonus of essential vitamins and minerals vital for growth. We plan to continue to promote the product within our food service a la carte program.

*April Liles, R.D. – Food Service Coordinator & Dietitian, Marion County Schools, Ocala, FL*

Our kids love the Riptide F5 drinks. With so many flavors to choose from, it gives our customers many options for their varied tastes. Knowing it has as much calcium as milk and as much fiber as half an orange, makes it a good nutritious drink option. WE LOVE IT!

*Laurie Krueger – School Nutrition Director, Lindale Independent School District, Lindale, TX*

With the Tennessee Nutritional Standards law going into effect July 1, 2006, Summer County needed a good nutritional drink to be able to sell in grades Pre-K through 8th grade. The Ziptide F5 is a very nutritional beverage which has an
