3 COMPANY PROFILE Our company, established in China for over ten years as manufacturing industry is intended to have the best products that meet the needs of our highly esteemed customers. We have established Maxware Trading Inc. In order to bring our services closer to our customers and facilitate accessibility with ease and convenience. We specialize on distributing and producing good quality products. We specialize in producing high quality products designed based on our customer's needs and distributing these products all over the country with efficiency. We believe that trust is earned through delivering what is needed in good time, with convenience and quality, and that is the reason we have combined our efforts as a company to produce amazing and fascinating products that leave our customers with no alternatives but our products. Our customers are our kings and we have to ensure that our supply meets their demands and they are satisfied with what we are giving them. In our kitchenware and housewares expertise, we are capable of manufacturing many different types of cookware constructions. Our motto remains to be quality, consistency, and manageable distribution. Company address: Liberty Ave Space D, Jamaica, NY Website:
