Customer Statement of CTEH, LLC

To Whom It May Concern:

I am the Senior Equipment Manager of CTEH, LLC.

My company has been a customer of Drägerwerk AG & Co. KGaA and Draeger, Inc. (hereinafter collectively, “Dräger”) for 1 years. I have purchased on behalf of my company various products from Dräger, including the X-PID™ gas detection device.

It is my understanding that the X-PID™ mark is used on and in connection with a gas detection device, and that I have encountered the mark used alone as X-PID™ and with the “Dräger” brand designation and grade designations in the form of numbers such as “8500” and “9000.” I have also encountered other Dräger trademarks such as the marks X-AM®, PAC®, X-ACT®, and X-ZONE® for gas testing instruments and related products. I have encountered these marks used alone on and in connection with the products, and with the “Dräger” brand designation and a grade designation in the form of a number.

Further, when I order the X-PID™ gas detection device from Dräger, I ask for the X-PID™ gas detection device. I do not request to purchase, for example, the “Dräger X-pid 8500” gas detection device. I recognize the mark X-PID™ as a trademark of Dräger for a gas detection device.

Sincerely,

Dilajla Radic-Keisler
