I, the undersigned Catherine N. Chandler, do hereby declare and make the following statements in support of the above-referenced application:

I am Chief Financial Officer of Liaison Technologies, LLC and I have more than 20 years of leadership experience in strategic planning and development, business analysis, treasury management, accounting, taxation, risk management and credit and international business management. I am responsible for directing all aspects of financial operations at Liaison and providing strategic insight to facilitate profitable growth.

The persons responsible for making purchase decisions regarding our communications and technical consulting solutions are typically high-level executives or officers with extensive technology, communications and networking training and experience. The decision to purchase Liaison services involves a sophisticated process that usually involves a series of presentations and collaborative meetings with potential clients to develop expectations and detailed written descriptions of the proposed solutions. Our normal sales cycle takes approximately 6 to 9 months.

We have been using the Liaison mark in the marketplace in form as contained in our service mark application since April of 2004. In my position as CFO, I am familiar with and involved strategically with the development and use of our service mark.
