# MyPrivacy.BETA

There are hundreds of websites that give away your personal information. Isn't it time you took back control?

With MyPrivacy, we watch out to make sure most personal data isn't anywhere that identity thieves, annoying marketers or nosy people can find it. We will scour the web tirelessly to ensure your privacy is protected.

Sign up for MyPrivacy to have protection from:

- Credit Fraudsters
- Internet Stalkers
- Identity Thieves
- Predatory Marketers
- Nosy Individuals
- Unwanted Phone Calls

Through your personalized MyPrivacy dashboard, you will be able to control how and where your information appears online.

No more using your good name without your permission.

It's your name.

Take back control.
