

## Congratulations!

### You have completed registration!

Thank you for signing up for MyPrivacy(sm). We look forward to protecting your information online and giving you some peace of mind.

Your order is now complete. Your subscription to the MyPrivacy has started immediately.

Just click on the link below to start your first online data search now! The first search will take a few minutes, after which you'll be able to select individual items for removal and our systems will get to work on them right away. Thank you again for joining MyPrivacy. Better control of your online information is now within your reach!
