Sweet Cheeks Soap Company

Necessity... or luxury? In a world of deadlines, grocery lines, too much work and not enough of you to go around, there's little time to smell the roses much less luxuriate in them. Has your bath time become just another chore?

Reclaim your right to take back that time. You deserve to slow down and surround yourself with the bounty of Colorado's

Rocky Mountains—essential oils, herbs, spices, honey, oats, clays, and even 24K sparkles... as well as other luxurious ingredients.

Nestled in the foothills of these mountains is **Sweet Cheeks**, a small home-based soap and toiletry business that celebrates the beauty and wonder of nature. We believe in making soap the old-fashioned way, with small batches are cured for 4-6 weeks, hand cut and packaged individually.

Our bath and skin care line incorporate opulent oils (mink, evening primrose, hemp, Monoi de Tahiti and others), butters like shea, mango and cocoa; and extracts such as aloe vera, chamomile, violet, carrot and seaweed to provide the ultimate in pampering.

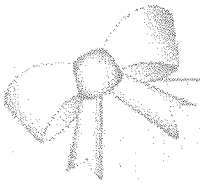

At Sweet Cheeks our work is a labor of love. Long hours have gone into the testing and development of our products and we are happy to share the fruits of that labor with family, friends and customers.

This product gives my cheeks the color that I am looking for in a blush. It's not to pink or to dark, the colors together blend well and make a very cute a funky mix.

sweetly cheeky!

08/12/2008 Posted by [Pesology](#)

I have been coming here for quite some time now and I can say that this place is one of the best. Being in the beauty industry myself (hairstylist) I have been to many places and have not returned either because of poor service or lack of cleanliness etc. Sweet cheeks is the first place where all my needs have been met. Denise does my eyelash extensions, brazillian and facials. I get comments on how gorgeous my eyelashes are practically everyday, they last longer than some of the other places i have been to and she is less expensive(bonus!). I have suffered from hormonal acne ever since high school and she is the first to clear my skin up without over drying it. I have never had Denise miss hair when she waxes either me wich is quite impressive considering in the past 9 times out of 10 someone would miss or just break my hair off. Anyway... enough raving about how wonderful this place is just go in and check it out for yourself!

DH, I'LL BE BACK

07/02/2008 Posted by [DILLYOU](#)

HAVE SERIOUSLY SENSITIVE SKIN AND BEING OF ITALIAN DESCENT USUALLY END UP SPENDING A GREAT DEAL OF TIME AND PAIN WAXING. THE EXPERIENCE AT SWEET CHEEKS WAS UNBELIEVABLE. I MADE AN APPOINTMENT AND WAS IN AND OUT (LEGS AND BIKINI). THE OFFICE IS BEAUTIFUL, MY WAXER MADE ME FEEL COMFORTABLE, AND I DIDNT SPEND ALL DAY THERE. THE PRODUCTS THEY USE THERE MADE MY SKIN FEEL WONDERFUL AND FOR THE FIRST TIME I DIDNT BREAK OUT AFTER MY WAX. I LOVE SWEET CHEEKS AND WILL TOTALLY BE BACK!

Sweet Cheeks Liquid Blush by Hard Candy

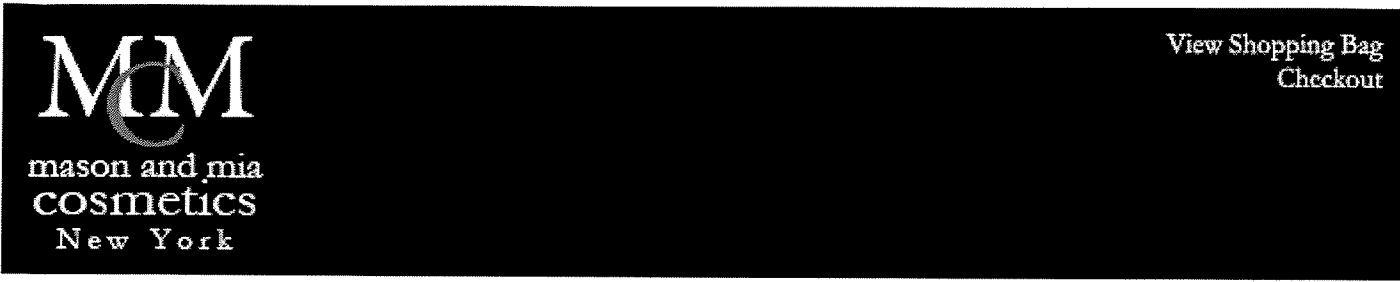

Price: \$13.5

Feel guilty thinking about candy? Well here's one candy that won't add any pounds – just sheer, natural color. Hard Candy's water based liquid blush comes in some of the most delicious colors imaginable. These mouth-watering blushes tint the cheeks giving just the right amount of color. Easy to use, and take with you as well! If you are tired of carrying the powder and brush to touch up your check, try this convenient liquid form. Just dab a little on and rub into your skin. While it is not a moisturizer, it makes your skin feel creamy. It doesn't dry out your complexion. Best thing about it is that with the convenient applicator you can achieve a natural appearance. Powder blushes can be hard to blend. Sweet Cheeks lasts a fair amount of time. But then, it's easy to take it with you if you need a touch-up.

The bottom line: Go ahead, buy some candy – a blush not calories will go straight to your cheeks!

Can be bought at: Sephora, or online at hardcandy.com
