WHEREVER THERE'S SPORT...

Sound gives TV pictures the energy and excitement that movement alone can never convey. At Calrec, we're exclusively dedicated to excellence in audio mixing for on-air and live production. We understand what's most important to you and how best to meet the changing needs of the broadcast environment. So, if you are putting sound in the picture - you can put your trust in Calrec.

LATEST NEWS

- YES gives the nod to Calrec for a makeover to HD-2, its newly refurbished truck. [More...](#)
- Denali Install a mammoth 96 fader Alpha into its new Summit supertruck. [More...](#)
