Cigars are about enjoyment. Smoke. Enjoy. Repeat. That's our motto at TexCigars.com! We have a huge inventory of cigars, some of the best prices, and we strive for 100% customer satisfaction.

Whether you're looking for cheap cigar bundles or expensive premium cigars, we have it all! We carry the top brands like Rocky Patel, Ashton, Padron & Arturo Fuente. We have all of the new brands as well as the old! The cigars are kept in perfect temperature and humidity so you are sure to receive fresh stock on every order. We also ship via Fed-Ex and USPS daily and pack the cigars in bubble-wrap to protect them during shipments. If you're buying singles, we use water-pillos and Ziplock bags to keep them fresh. For a new experience with cigars, we have a create a cigar sampler tool that includes a selection of clearance cigars, cigars rated over 90, employee favorites, and diamonds-in-the-rough (cigars you might not recognize, but are sure to love).

If you're shopping for discount cigars Tex Cigars is the perfect place to find the freshest cigars at a discount price! We buy in bulk to get you the best cigar prices online and that means you won't spend all of your hard-earned money on the cigars you love. We have some of the lowest prices for cigars on the internet! Our cigar bundles start at \$30 for 25 cigars. Our discount on cigars for the premium brands ranges from 20% to up to 40%! We have one of the fastest checkouts and most sophisticated shopping carts on the internet.

Find the cigars you love on our website and trust that you're dealing with one of the premier cigar sites on the internet. We pride ourselves on customer service. We strive for 100% satisfaction with our customers. If there is a special cigar you are looking for, a special request, or anything you can't find at the other online cigar stores give us a call or e-mail and let us try to help you. Chances are we will be able to get the cigar you are looking for at a price you will like. Check out some of our cigar reviews for great reviews by previous customers. We're the cigar store that you can trust. Orders are submitted with 256 bit encryption over a secure server and your information is never given out for marketing purposes. Learn a little more about our customer service guarantee and buy from the best cigar shop online - TexCigars.com!
