Rocky Patel Patel Brothers Cigars

In 2009 Rocky Patel has released the Patel Brothers Cigars in conjunction with his brother Nimesh Patel. If you're a Rocky Patel lover you will most likely love these cigars. Rocky also released his Winter, Spring, Summer, and Autumn collections in 2009. These cigars are very limited because the tobacco is limited. Rocky Patel has often kept his blends secret and we're waiting on exact details for the Rocky Patel Patel Brothers Cigars.

Where to Buy Rocky Patel Patel Brothers Cigars:

You can buy the [Rocky Patel Patel Brothers Cigars](#) at [Tex Cigars](#) as soon as the cigars are released. We do expect that they will be released in August of 2009 at the New Orleans RTDA Show.
