**Does the job**, March 15, 2007

**This review is from: Tweezerman Dual Surface Nail Brush (Health and Beauty)**

A decent nail brush. I purchased it to clean out the assorted grime that accumulates after a day of construction, and it does fairly well. I wish it had stiffer bristles, and also have had some problems with grimy water getting inside the body of the brush, as it is constructed of two pieces popped together. This is not an issue for anything but aesthetics, however, as it does not effect the function of the brush.

**Works great but single row loses shape fast!**,

[Amazon Verified Purchase](#) (What's this?)

**This review is from: Tweezerman Dual Surface Nail Brush (Health and Beauty)**

I ordered 6 of these from J & R Music/Computers (went directly to them because I could only order 1 or 2 from the Amazon website at the time) to save on shipping because my last nail brush w/a single row for nails was purchased from Avon 32 years before. I found that if you use the same brush over and over the single row of bristles seems to splay (spread out) and not able to get under the nails as when new.

Since we have them placed in the kitchen and 2 bathrooms I found that the less used ones seem to stay in better shape. I ended up purchasing 6 more when Amazon.com had them for sale recently (with free shipping this time) and hope that alternating use of more than one will cause a better lifespan.

Tried a few other brushes, but they always turned out to have weak bristles that never held up or were too soft to do the job.

This brush does a nice job but it is a pain putting it back together often. It's made of two parts and they separate.

**Nice brush!**, January 7, 2010

By [Reads Galor](#) - [See all my reviews](#)

**Amazon Verified Purchase** ([What's this?](#))

This review is from: **Tweezerman Dual Surface Nail Brush (Health and Beauty)**

We purchased several of these brushes a few months ago to put in the kitchen and bathrooms. Like one reviewer stated, it would be nice to have stiffer bristles, especially the single row side for under the nails. What is nice is once you are done with the brush and put it down with the single row facing down, the brush is tilted and drains nicely.

#### Very soft.

Not as stiff as I hoped. A very good hair brush for a baby or elderly person but not a great nail brush. I use it to "comb" my 83 year old mother's hair. Very soft.
