Kinder Goat Breeders Association

Welcome!

Who we are

The Kinder Goat Breeders Association, also known as K.G.B.A. is a non profit organization consisting of individuals across the country and internationally as well, who are dedicated to the promotion of the Kinder Goat. We invite you to join us and learn about the hardy, productive and economical Kinder Goat. Please tour the site, visit our blog and feel free to email us with any questions you might have. We are here to support you.

How We Began

A group of breeders in the State of Washington convened on May 30, 1988 to form a committee for the organization and promotion of the Kinder goat. Thus began the formation of the Kinder Goat Breeders Association, better known as the K.G.B.A. The K.G.B.A. maintains the herdbook and breed registry of the Kinder goat. They safeguard the Kinder Goat Breed Standard and sanctioned shows. The objectives of the K.G.B.A. are:

- To promote and propagate the Kinder goat breed
