NEW! MODULAR SNIPER RIFLE (MSR™)

A new level of surgical precision. Designed for operators, by operators, the new **Remington® Modular Sniper Rifle (MSR™)** combines lethal accuracy at 1500 meters with a user adjustable folding stock, free-float handguard, and the potential to change barrel lengths and calibers within minutes at the user level from 338 Lapua Magnum to 338 Norma Magnum to 300 Winchester® Magnum to 7.62mm NATO. This patent-pending system addresses long range and medium range needs of the modern battlefield in one package designed to meet multiple emerging US armed forces requirements. The MSR is mission-adaptable with just a change of a bolt face, barrel, and magazine, and features lightweight, efficient design and optimal material selection for performance and corrosion resistance – this system truly never has to leave the battlefield.

FOLDING STOCK » The right folding stock features a bi-directional locking mechanism to minimize the overall system profile. Length of pull is user-adjustable. Cheek piece is adjustable for height and fore/aft position. Height of butt-plate is vertically adjustable.

ACTION » Titanium coated components are impervious to corrosion. Receiver features titanium alloy with steel front-steel lock-up in the barrel extension. Ambidextrous bolt release.

FIRE CONTROL » Adjustable X-Mark Pro fire control (user adjustable pull weight from 2.5 to 4.5 lbs.) with low profile safety lever.

GRIP » Any AR-style grip can be accommodated.

MAGAZINE » 5, 7, and 10 round Teflon-coated center-feed single to double stack magazines for positive feeding. Removable insert to allow greater than standard over-all cartridge lengths. Magazines are available in 338 Lapua Magnum (5-rd and 10-rd), 338 Norma Magnum (5-rd and 10-rd), 300 Winchester Magnum (7-rd), and 7.62mm NATO (10-rd).

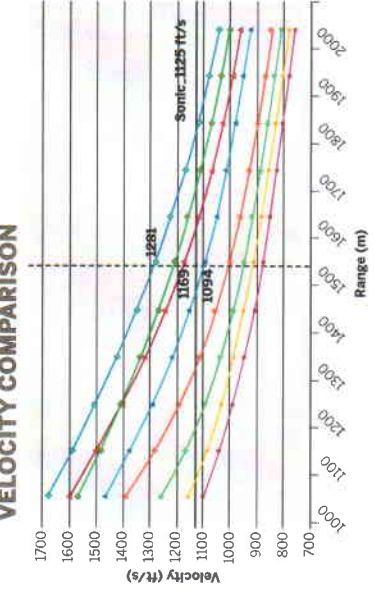

FIELD BALLISTICS COMPARISONS

- ◆ **338 Lapua Mag**
- 300 OTM@2750 (27 in. barrel)
- ◆ **338 Lapua Mag**
- 300 OTM@2600 (20 in. barrel)
- ◆ **338 Lapua Mag**
- 250 OTM@2900 (27 in. barrel)
- ◆ **338 Lapua Mag**
- 250 OTM@2700 (20 in. barrel)
- ◆ **300 Win Mag**
- 190 SMK@3000 (27 in. barrel)
- ◆ **300 Win Mag**
- 190 SMK@2750 (20 in. barrel)
- ◆ **7.62mm NATO**
- 175 SMK@2650 (27 in. barrel)
- ◆ **7.62mm NATO**
- 175 SMK@2575 (20 in. barrel)

ENERGY COMPARISON

VELOCITY COMPARISON

PRIMARY RAIL » Monolithic MIL-STD 1913 rail available in 20, 30, and 40 MCA options, allowing a variety of day/night optics to be mounted on the same plane. Integral recoil lug distributes the load from the rail and scope evenly. Optics mounting platform is compatible with HORUS vehicle equipped optics, ballistic software, PDA interfaces, night vision devices, and thermal imaging devices.

REMOVABLE HANDGUARD » Octagonal free float tube design allows for eight planes of accessory rail mounting. Each accessory rail features integral recoil lugs to optimally distribute accessory loads during recoil. MSR features multiple sling attachment points, ventilation for rapid cooling, a unique cable management system, and a flat bottom for increased stability while firing.

SUPPRESSOR » Custom machined suppressor and muzzle brake (MAB) can be accommodated — eliminates 98% of muzzle flash — reduces recoil by 60%; 24.25 inches, 9.5" long — extends 8.5" past the muzzle (36" D); POI shift <math>< 1\text{MOA}</math>

«FOLDING STOCK
Bolt capture when folded prevents bolt loss during transport.

ACCESSORIES » Tested with all military approved sights, lights, night vision devices, and suppressors to assure shock mitigation and zero retention. Removable rail pieces assure the right accessories can be attached in the right places.

24" barrel

BARREL » Available in 20", 22", 24", and 27". Match grooves, fluted to minimize weight and optimize heat dissipation without compromising stiffness.

27" barrel

CALIBER » Caliber is convertible in minutes at the operator level from 338 Lapua Magnum to 338 Norma Magnum to 300 Winchester Magnum to 7.62mm NATO (with a magazine block for training or field expedient use). Other magnum calibers available upon request.

338 Lapua Magnum

300 Winchester Magnum

7.62mm NATO
