AC shake

Helps control appetite*

Specially formulated to help control appetite and reduce food cravings, myVictory! AC Shakes contain key ingredients that may help promote healthy weight loss when combined with a healthy diet and regular exercise. With satisfying levels of fiber, protein, and carbohydrates, myVictory! AC Shakes also support healthy metabolism and lean muscle mass. When used together with myVictory! AC Complex this proprietary nutritional system delivers powerful craving control for your very own weight loss success.*

The My Victory Weight Control Plan helps put you in control of both calories in and calories out by providing you with a demonstrably different weight loss solution. My Victory's powerful supplements help control cravings and increase satiety while boosting burn and increasing energy levels. With My Victory, you have the power to achieve your weight loss victory!

***TrueDose Guarantee:** Active ingredients at active levels. The myVictory! Weight Control Plan products provide 100% of the clinically-effective doses of garcinia, gymnema, and forskohli extracts when used with myVictory! AC complex as directed.

Directions For Use: Add two (2) scoops of powder to eight (8) ounces of cold water or milk. Blend or shake vigorously. Use twice daily and combine with myVictory! Appetite Control Complex. Store in a cool, dry place.

Warning: Keep out of reach of children. Pregnant or lactating women, diabetics, hypoglycemics, and people with known medical conditions should consult with a physician prior to use. Contains soy, milk, and oat-derived ingredients.
