## DuPont™ StoneTech® Professional Products

### High-Quality Products Seal the Deal

DuPont™ StoneTech® Professional stone, tile and masonry care products are innovative, easy-to-use solutions to protect and preserve stone against the damaging effects of everyday living. With a complete line of products to protect, clean and transform stone surfaces, we help ensure the beauty of natural stone and tile countertops, floors, walls and other installations for generations to come. Refer to our [Quick Reference Guide for DuPont™ StoneTech Professional® products](#) to help you decide which product is right for your application and surface.

#### Protect

All stone is porous to some degree. Protect your natural stone and prevent stains with DuPont™ StoneTech® Professional sealers. Once treated, the advanced formula delivers protection to ensure your natural stone is ready for everyday use. » [More](#)

#### Clean

Treated with care, the polished stone in your home can look like new for years to come. Keep spills from becoming stains with the DuPont™ StoneTech® Professional line of cleaners. From daily cleaning to heavy-duty clean-ups these products were carefully formulated for use on natural stone. » [More](#)

#### Transform

Whether your natural stone is in great condition, or it requires some resoration work, DuPont™ StoneTech® Professional has the products you need to transform your surfaces. » [More](#)

#### Product Literature

DuPont™ StoneTech® Professional Product Literature provides you with the product details you need. » [More](#)

#### Technology

Founded on a need, an idea and strong technology, DuPont™ StoneTech® Professional is committed to providing you with the highest quality products available in the market today. » [More](#)
