**DECLARATION UNDER SECTION 2.20**

I, Sir Robert Bryson Hall II (aka Logic), owner of Applicant Three Oh One Productions, LLC, declare and state as follows:

1. This Declaration is submitted in support of the requested substitute specimens of use. TMEP 807.12(a). The substitute specimens of use were in use in commerce at least as early as the filing date of the application
2. The substitute specimens of use are screenshots of Applicant's series of musical sound recordings and downloadable audio files, which are available at the links on Applicant's website, submitted with its April 22, 2013 Response to Priority Action.
3. The substitute specimens show use of the LOGIC mark in connection with a number of the sound recordings available through Applicant's web site.
4. Applicant's website, as submitted on April 22, 2013, shows a number of Applicant's sound recordings, e.g. Young Sinatra: Undeniable, Young Sinatra, Young, Broke, and Infamous, and more located on the bottom of the web page, at the hyperlink marked, "For more official music by *Logic*, click here!" (Emphasis added).
5. The substitute specimens serve to clarify that the goods listed in Class 9 in the application are sold, provided, and promoted, as LOGIC. The legend at the top of the web page that says "Mind of Logic" is promotional copy, not a source identifier.
6. The fact that Applicant's entertainment services and musical sound recordings are branded as LOGIC and not "Mind of Logic" is further demonstrated by the Wikipedia entry submitted on April 22, 2013.
7. The undersigned being warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false

statements and the like may jeopardize the validity of the application or document or any registration resulting therefrom, declares that all statements made of his/her own knowledge are true; and all statements made on information and belief are believed to be true.
