The Green Way to Pay

Billing your customers and receiving payments has never been easier and more environmentally friendly than with Onsharp's SmartPay electronic billing and payment presentation system. Rather than spending hours and hundreds of dollars printing and mailing paper invoices to your clients, you can now import your invoices and send electronic payment notifications to your customers with as little as a few simple clicks! SmartPay will save you both time and money while allowing you to receive payments from your customer quicker than ever before. For your customers, it's as easy as clicking on the "Pay Now" button in their email and entering their payment information. Our system is convenient, secure, and easy to use. For as little as $99 per month, you'll not only save yourself money, but you'll also help save on our environment.

Pricing

Your monthly fee is based on the number of customers you have that month. Send as many invoices as you want. You can also get help when you need it with unlimited free phone, chat, and email support. The SmartPay system includes the ability to accept both ACH* and Credit Card** transactions, meaning you pay no additional monthly merchant fees other than the standard per-transaction rates for ACH and credit card payments.

# of Customers	Monthly Fee
0-75	$99
75-250	$149
251-500	$239
501-1000	$399
1000+	please call

*There is a $.30 transaction fee for each ACH transaction.

**For credit card payments, the transaction rate is 2.15-2.65% depending on the type of card used plus a $.25 transaction fee.

***There is a $175 setup fee, which includes setting up your SmartPay account, your ACH application fee, and your credit card application fee.

SmartPay makes it easy and affordable for you to invoice your customers, accept online payments, and protect the environment.
