The secret to healthier feet. Massages and relieves sore feet. Straightens and re-aligns problem toes. Restores flexibility and circulation. 5 Minutes a day & foot pain goes away! Ideal for: sore feet, bunions, hammertoes & dress-shoe fatigue. Everyone can have healthy, pain-free feet. Inspired by the healthy benefits of Yoga, the Flex-Tastic exerciser helps realign and relieve the pain of mistreated toes. Wear for as little as 5 minutes a day to restore foot health, relieve stress and tension in both feet and legs, and increase circulation. No need to change your routine. Wear them in the tub, while reading, or even watching TV and feel blessed relief immediately. Made in China.
